

## PLAR Application Checklist

Prospective HIA students may apply for a Prior Learning Assessment and Recognition (PLAR). This review allows an assessor to determine whether previous academic and work experience matches courses or practicums in the HIA curriculum. Prospective students may apply for recognition and exemption from any course or practicum offered within the HIA program. It is at the discretion of CHA Learning to grant exemptions based on the information submitted by the student.

Applicants seeking work-related practicum exemptions will need to provide both detailed work descriptions and a letter of attestation from their employer. It is at the discretion of CHA Learning to grant exemptions based on the information provided by the student.
